RE: Follow-up to August 6, 2012 Letter on Criminal Justice Reform in Alameda County

Honorable Members of the Board of Supervisors:

On August 6, 2012 the Coalition sent a letter to the Board of Supervisors and members of the Community Corrections Partnership Executive Committee to discuss several issues regarding criminal justice reform and implementation of AB109 in Alameda County.

Since that time we understand that the CCP Executive Committee has conducted an all-day retreat to work on AB109 planning and implementation issues. The purpose of this letter is to request that you provide us with responses to the issues we raised in that letter and the specific recommendation we identified, and an update regarding where the Executive Committee is regarding the implementation of AB109.

Sincerely,

Junious Williams, Urban Strategies Council  
On behalf of the Coalition
